

Homework #18 and #19

For the weeks of Nov. 8 and Nov. 15

- 1) DRAFT of ESSAY III due to your (new) group via e-mail ***no later than 9:00 am Tuesday 11/16.***

Please read the drafts of your two group partners carefully before class. See especially if you can identify a main idea, and think about what that idea means: what do you want to say back to that idea, what questions do you want to ask about it?

Bring one copy of your own essay (just print it out once!) to class for Workshopping ***Tuesday 11/16.*** Please note that the first thing I will do in class is ask you to write down your thesis—so make sure your draft has one!

- 2) E-mail your PROPOSAL for your ORAL PRESENTATION—a few sentences will do—to me no later than ***8:00 pm Wednesday 11/17.*** I will respond by e-mail or in class the next day.
- 3) COMPLETE your JOURNALS—or at least, the minimum 10 entries—and turn them in by ***Friday afternoon 11/19 3:30 my office.***
